THE DEPUTY CHAIRMAN : Mrs. Jain, please listen. Order, please. He is trying to explain.

SHRI S. JAIPAL REDDY : Mrs. Chandrika Jain has met the Chief Minister of Bihar. The Chief Minister of Bihar explained to her the situation. There is a dispute between the two sects of the Jain community. It is a matter to be settled by both of them. The Chief Minister had a joint meeting with both of them. After consulting them the Government of Bihar drafted an Ordinance and sent the same to the Government of India.

SHRIMATI CHANDRIKA ABHINANDAN JAIN: Why Ordinance? Let it go to the court. *(Interruptions)*

SHRI S. JAIPAL REDDY: Anyway the matter is now with the Central Government. The copy of the draft Ordinance has been sent to the Central Government. Alleged deal with LTTE

SHRI V. NARAYANASAMY (Pondicherry): Madam. after the assassination of our leader, Shri Rajiv Gandhi, LTTE was banned by the Government. The banning order issued by the Government of India against it stating that the LTTE is a terrorist outfit is continuing after May, 1994.

On the basis of the newspaper reports, the Tamil Nadu Chief Minister and her Minister made a very serious allegation against the Central Government stating that at the time when the hon. Prime Minister was going to London there was a deal struck between her and the LTTE leaders there in London for the protection of the Prime Minister and the Government of India also had agreed that they would not extend the ban. But the hon. Home Minister clarified the position in Lok Sabha and also outside that it was totally baseless and the charges are..... *(Interruptions)* ... without any facts.

SHRI G. SWAMINATHAN (Tamil Nadu) : It was published in the *Sunday* magazine.

SHRI V. NARAYANASAMY : A statement was read out in ... *(Interruption* ... the Legislative Assembly.

SHRI G. SWAMINATHAN : It was published by the *Sunday* magazine. Then, it was published throughout the country in all the relevant papers ... *(Interruptions)* ... SHRI V. NARAYANASAMY : Madam, what is happening in Tamil Nadu?.... *(Interruptions)* ... Whatever you want to say regarding the allegations, you can speak after me ... *(Interruptions)* ...

SHRI G. SWAMINATHAN : Mr. Vengal Rao is accusing Mr. Vijaya Bhaskar Reddy, the Chief Minister of Andhra Pradesh of corruption. What is happening in Andhra Pradesh? Don't talk unnecessarily about Tamil Nadu here.

SHRI V. NARAYANASAMY : My point is very clear ... *(Interruptions)* ...

SHRI G. SWAMINATHAN: That is your own presumption.

SHRI V. NARAYANASAMY: The important leaders of the ... *(Interruptions)*...

SHRI G. SWAMINATHAN : They want to destabilise the Tamil Nadu Government. They are now raising the bogey of law and order problem. Most probably the Central Government wanted to destabilise the Tamil Nadu Government and then invoke President's rule. Now they are saying that the activities of the LTTE are on the rise. They are now saying that... *(Interruptions)* ... That is the position. Why are you raising a bogey in Parliament?

SHRI V. NARAYANASAMY : My specific information is that the Chief Minister and other Ministers of Tamil Nadu had a secret meeting with the LTTE people in Madras. They had a secret meeting, probably mentioning to the LTTE that they would have free access to Tamil Nadu and in turn they should assure the Tamil Nadu Government that there would be protection to the Chief Minister of Tamil Nadu.

SHRI G. SWAMINATHAN : During Indira Gandhi's period, the LTTE was supported all through. LTTE camps were also organised with the help of the Prime Minister. What is it that you are now taling about? ... *(Interruptions)* ...

THE DEPUTY CHAIRMAN: Mr. Narayanasamy, that is over now. Please sit down.

THE MINISTER OF HOME AFFAIRS (SHRI S. B. CHAVAN) : Madam, Deputy Chairman, I am very sorry to say that a balanced hon. Member like Mr. Swaminathan is making an insinuation against the Central Government. He said that the Central Government is trying to destabilise the Tamil Nadu Government. He said that we are trying to find different excuses. I am really sorry to say that such a statement should have come from Mr. Swaminathan which, he knows is a totally baseless sort of thing.

They want to dominate these two villages of Manipur which is in Indian soil.

THE LEADER OF THE OPPOSITION (SHRI SIKANDER BAKHT) : Kindly come to the mike.

SHRI W. KULABIDHU SINGH : The Government of Manipur is not much concerned about the loss of territories. At least the Central Government should take a serious note of this. I submit that the Central Government should look after the boundary pillars. Pillar No. 66 which was demolished some time back should be reinstalled. Otherwise, the question of encroachment and boundary disputes will be there. Why has the Burmese Government not
